(a) after the second proviso to regulation 4, the following shall be inserted, namely:—

*“Explanation.—For the purposes of this regulation, service under the Union or a State Public Service Commission shall be construed as service under the Government.”*

(b) for regulation 9, the following shall be substituted, namely:—

“9. (1) A Member who, at the date of his appointment as such, was in the service of the Union or a State Government, shall count his service as Member for pension and retirement benefits under the rules applicable to the Service to which he belongs:

Provided that if the amount of pension or the pension equivalent of other retirement benefits or both to which such Member is entitled under the rules applicable to the Service to which he belongs, falls short of the amount of the pension admissible to a Member in respect of the service rendered by him as such, he may, at his option, come under the pension scheme under regulation 9A:

Provided further that the option referred to in the preceding proviso may be exercised by every Member appointed as such on or after the 26th January, 1950, but no pension shall be payable to any Member exercising such option in respect of any period prior to the 1st day of July, 1964.

*Explanation I.—In this sub-regulation, the expression “retirement benefits” does not include the benefits of any Contributory Provident Fund.*

*Explanation II.—A Member exercising his option under the first proviso to this regulation shall communicate his option in writing to the President during his tenure as such Member, the option once exercised being final.*

(2) Every Member exercising his option under the second proviso to sub-regulation (1) shall communicate his option in writing to the President not later than 31st December, 1964, the option once exercised being final, and if such Member has received any gratuity on retirement from service under the Union or a State Government, he shall refund—
